

Meridian Grain Max Bins

Grain Max hopper bins offer top quality grain and seed storage at prices comparable to corrugated hopper combos. Without bolts and ribs, the Grain Max seamless interior allows for safe and easy unloading, while ensuring no seed or contaminants are trapped on the wall or joints. Completely self-cleaning with no obstructions, Grain Max hopper bins are the safest and most efficient grain bins available. You and your family will appreciate the quality and safety of Grain Max, not to mention the time and energy saved handling grain in a smooth-walled bin. Grain Max hopper bins feature all the standards you expect from a Meridian product - leading design advancements, material selection, a premium powder coated finish and the best in warranty and customer service.

STANDARD FEATURES:

- All welded, smooth-walled construction.
- HSS (hollow structural steel) legs and bracing.
- Premium Rack-n-Pinion slide gate with crank.
- Complete sidewall and roof ladder.
- 25" top opening.
- Vented Top Lid - spring loaded and ground operated.
- Minimum 40° bottom cone and 35° roof cone.
- 24" clearance under the slide gate.
